HAMAMI**

PAST TO THE FUTURE

Bath Culture

From past to present, the culture of Turkish Bath is one of the first thing that comes to mind when it comes to Ottomans or Turks. The history of bath starts with Romans and it has a very important place for Turkish culture after Turks choose Islam as a religion that attaches particular importance to cleaning.

Some of the miraculous benefits of the Turkish Bath;

- * Turkish Bath reduces stress and relaxes mind.
- * Turkish Bath tonifies immune system.
- * Turkish Bath cleans slough.
- * Turkish Bath accelerates blood circulation.
- * Turkish Bath makes your skin young and fresh.

To be brief, Turkish Bath is a health, social, and cultural center, which offers you physical and mental relaxation, total therapy, massage therapy, and body care for your beauty.
